

# #Song4Banu

by Felicia Peters

## „Fight“ (12x)

Banu should not be deported  
Because she paid her dues  
Thirty four months they locked her up yall!  
I read it in the news  
Why do they call it immigration  
When they try to keep us all apart  
I always thought this was a nation  
That was united at the heart!

***BMB ...she deserves to stay***

***She can't leave...Her dues have been paid***

***BMB ... We've got to fight***

***She can't leave... Why can't they see the light?***

## „Fight“ (8x)

She works and takes care of so many today,  
They will be sad if she goes  
The land she returns to would punish her and  
What would become of her nobody knows  
It wouldn't matter if she were black, chinese  
mexican or white  
discrimination has always been a bad disease  
so help us fight for human rights

***BMB ...she deserves to stay***

***She can't leave...Her dues have been paid***

***BMB ... We've got to fight***

***She can't leave... Why can't they see the light?***

## „Fight“ during solo (12x)

## „BMB fight fight fight“ (4x)

***BMB ...she deserves to stay***

***She can't leave...Her dues have been paid***

***BMB ... We've got to fight***

***She can't leave... Why can't they see the light?***

**FIGHT TILL THE END!!!**
